Must Not Do It Again.

An elderly gentleman, a stranger in New York and not sure of his way, stopped a young man on Fifth avenue and said:

"Young man, I would like very much to go to Central park."

The young man became very thoughtful for a moment and then, looking the old gentleman in the face, said:

"Well, I don't mind your going just this once, but don't ever, ever ask me to go there again."—Judge's Library.

Burgars' Sardonic Humor.

Burglars who recently sacked a house in Paris left notes behind them, saying: "Your clock has stopped chiming. We will take it to the watchmaker." "For fear you should be robbed, we are removing your jewelry."

Much sickness is due to nervous troubles. Headache, dizziness, epilepsy and insanity are nervous troubles. Then there is a large class of disorders which arise from a weakness of the nerves of an organ or part, as weak lungs, heart, stomach, kidney, bladder, eyes, etc. Dyspepsia and indigestion are usually the result of nervous disorders.

Restorative Nervine

soothes the irritated nerves, and assists the nerve cells to generate nerve force.

Dr. Miles' Nervine is sold by all druggists. If the first bottle fails to benefit, your druggist will return your money.
